GENERAL PRICE LIST

These prices are effective as of July 1, 2008, but are subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only those items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

This list does not include prices for certain items that you may ask us to buy for you, such as cemetery, or crematory services, flowers and newspaper notices. The prices for those items selected will be shown on your bill or the statement describing the funeral goods and services you selected. (We may charge you for our services in buying these items.)

BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF \$ 1,695.00 *

Our professional service charge includes but is not limited to consultation with family and clergy, arrangement and direction desired, preparation and filing of necessary notices, authorizations, consents, and certificates; and other services and attendance prior to, during and following the funeral including coordinating with those providing other portions of the funeral, such as cemetery, crematory, etc.; including after care service and a Memorial Record. Also included in this charge are overhead expenses relative to our facilities, such as, licensing, legal and accounting fees, insurance, building and utility expenses, parking lot and grounds, maintenance, taxes, equipment, furnishings, record keeping, secretarial and administrative expenses.

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

EMBALMING \$ 450.00 *

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
